Best wishes to all of our International Squad members who are in Australia training for Junior Worlds or training at home for international inter-club competitions in the first four months of 2011. Remember that international squad members need to advise the NZISA Council of any competitions that they will be attending. Other skaters need to request permission from the NZISA to compete at events overseas.

## 2011 NZISA Rules and Regulations

The 2011 NZISA Rules and Regulations will be available electronically prior to Christmas. Hard copies of the 2011 Rules and Regulations, Technical Panel Handbooks and ISU Rule Books will be sent out to officials by mid-January. A summary of all of the rule

changes will also be available. The biggest change will be that there are no longer Short Programs for Juvenile and Pre Primary Singles and Pairs events. These two grades will only skate a Free Skate programme and tests for

these grades will also be a Free Skate programme. In the meantime, ISU Rules and Technical Handbooks are available on the ISU website, [www.isu.org](http://www.isu.org).
