CREME WISHES ALL COMPETITORS EVERY SUCCESS IN THE
2000 NATIONAL ICE FIGURE SKATING CHAMPIONSHIPS

OUT SEPTEMBER 25TH

Presidents Welcome

On behalf of the New Zealand Ice Skating Association Incorporated, I have much pleasure in welcoming all Skaters, Visitors, Officials, Supporters, and our overseas skaters and guests to the New Zealand National Championship Auckland 2000

New Zealanders expect a lot from our sporting athletes and our sport of Ice Figure Skating is no different, the demands placed on you today are not solely centered around the performance on the rink. Your ability to present yourself and our sport in a way that creates a lasting impression is vital. We look forward to these championships as you all display your skills and techniques on ice with confidence

This event would not be possible without the considerable and valued support of skaters, parents and the many folk involved in our sport and in particular the organizing committee here in Auckland.

I would like to acknowledge their efforts on your behalf.

Trevor Lewis
